15 June 2020

Dear Parents/Guardians

As we approach the end of the Summer term we as a school would like to thank you all for your support and understanding through what has been a very challenging time for everyone.

As we move forward we are awaiting an announcement from EA as to what the future holds for the face of education. We will then update you on a start date for the new school year and with details on what the model of blended learning will look like which we are led to believe is a mixture of face to face teaching and remote learning.

Until we know more we are preparing the school building and premises for what lies ahead. We would like to bring the following for your attention:

- The End of Year school report for each child will be a report on your child's progress from September to March and will be posted out at the end of June.
- We have collected all the children's boxes of medications and we will be in touch to make arrangements for these to be collected.
- We have also gathered together all the children's books and belongings and have put them into a pack, these will be passed over to your child's new teacher ready for collection in September (Anything that is urgently needed before that, please let the school office know and we will make arrangements)
- Arrangements will be made for Primary 7 packs to be collected before the end of June.
- A text will be sent out at the end of June to confirm who the children's teacher will be in September.

We will be in touch as soon as we have details of a way forward. Thank you for your continued support.

Regards
U Farrell
Principal
